

Making the most of short and precious lives...

children's hospice
SOUTH WEST

Children's Hospice South West (CHSW) exists to make the most of the lives of children and young people with life-limiting conditions, which mean they will die in childhood. Our belief is that the best way we can do this is to wrap our care around families who have received these unspeakable diagnoses.

Each year we have to raise £9.8 million from voluntary donations to ensure that we are able to continue this care for over 500 families, who see us as a life-line. From the point of diagnosis through to bereavement and beyond, for as long as the whole family needs us.

Our three hospices offer children with life-limiting conditions and their families:

- ☺ Respite and short breaks
- ☺ Palliative care
- ☺ Emergency care
- ☺ End of life care
- ☺ Bereavement care
- ☺ Sibling support
- ☺ 24 hour telephone helpline
- ☺ Ongoing support for as long as the family needs
