

Volunteer consent form

As a charity, volunteers are a critical part of Children's Hospice South West (CHSW), and having photographs/videos/audio/stories helps us to publicise the great things volunteers do for CHSW and to promote the need for volunteers in our shops, hospices, offices and at events.

We would like permission to use photographs/videos/audio/stories of you volunteering for CHSW for future promotions. By agreeing to consent to photographs/videos/audio/stories, you will be helping us to spread the word about our work and how volunteers make a big difference to other families and supporters across the South West.
