

**Thank you for choosing to write or update your Will through our Write Your Will Week. Your support will mean that we can continue to be there for babies, children, young people and their families with unwavering medical care and emotional support when they need it most.**

Please find enclosed a preparation form which the solicitor will go through with you at your appointment. We would be grateful if you could complete as much of the form as possible prior to your appointment.

Solicitors are giving their time for free in exchange for a donation to Children's Hospice South West. The suggested minimum voluntary donation is £175 for a single Will and £250 for a Mirror Will. If your Will requires specialist tax and legal advice, the solicitor will discuss any specific charges with you prior to proceeding.

The solicitor will ask for your donation to be made during your appointment to sign your Will either via our online payment form or by cheque. If you are a UK taxpayer and choose to gift aid your donation, it will increase its value by 25%, which makes a huge difference to the families we support.

Please take the time to read the enclosed Gifts in Wills brochure. Choosing to leave a gift in your Will provides a light in the darkness, a listening ear and the strength for our families to face tomorrow.

Thank you again for your invaluable support.
