## Gifts to charities

We appreciate and respect that your family will always come first. Once you've taken care of them, you may wish to think about leaving a gift in your Will to Children's Hospice South West, or other causes you care about. **If you leave a gift to a charity in your will, its value will be deducted from your estate (your money, possessions and property) before Inheritance Tax is worked out.** You can also choose to leave a residue amount to a charity. If you wish to do this please complete the next section.

## Your remaining estate (residue)

The residue of your estate is any property or money remaining after the payment of specific legacies, gifts and expenses have been made. You cannot be sure how much the residue of your estate will be but it is wise to name the individuals or charities you would wish the residue to pass to and to indicate the proportion you would like them to receive.
