Making the most of short and precious lives across the South West
Registered Charity No. 1003314

You are about to do something amazing - thank you! 😊

Thank you so much for agreeing to raise money for Children's Hospice South West (CHSW). Whether you have signed up for an event and are raising sponsorship, or you're holding your own fundraising event, we are here every step of the way to help, encourage and support you. Every penny you raise is truly amazing and really can raise a smile.

Without the wonderful help of supporters like you, we simply wouldn't be here. This is your first step to becoming a valued fundraiser in your group of friends, your community or workplace and is one of the most rewarding and fun ways to support our vital work.

With the help of donations and volunteers we are able to continue our care for over 500 families across the South West. We support children with life-limiting conditions, which means they are unlikely to reach adulthood. Our mission is to give the whole family the chance to spend precious time together and make happy memories whilst facing an unimaginable journey.

**Thank
you**
for your
support

“ Nothing was ever too much for the nurses and staff, even though it was a very sad time for us as a family we felt happy we were able to say goodbye to Max in a very extra special way, thanks. ”
